

Background

Sydney Sports Management Group (SSMG) have recently been awarded the contract to redevelop and manage the Cintra Park Tennis and Sports Centre from July 1. SSMG will be making significant upgrades to the facility to make it one of the leading sports centres in Sydney.

SSMG have appointed Voyager Tennis as the coaching provider the leading tennis academy in Sydney to provide great programming for players of all ages and abilities.

What aspects of the site will SSMG be operating?

SSMG will be managing the overall facility and will be operating the pro-shop and restringing service, café, court hire, night tennis competitions and multisport courts.

What will Voyager Tennis be delivering?

Voyager will be responsible for all tennis coaching services, holiday camps and junior competitions.

What will the new facilities include?

As part of the facility upgrade, 8 of the 14 tennis courts will remain as traditional tennis courts. The remaining 6 x courts will be multi-sport courts to allow other activities such as soccer, netball and volleyball at the sports centre.

When will the site redevelopment be occurring?

Capital works will be commencing in July 2021. The first phase will be the re-surfacing of all tennis courts, replacement of the fences and upgrades to LED lighting. The facility will remain operational during this period with 2 courts being completed at any given time.

When will programs begin?

All programs and competitions will resume in line with the school term which is on Monday the 12th of July.
