

## **Head Tennis Professional – Voyager Tennis Academy**

Take your career to the next level and challenge yourself by joining a world class team of coaches and professionals.

### The company

Voyager is a multi-award-winning Tennis Academy and believe in tennis as a powerful life-enhancing voyage that helps an individual become the best person they can be.

- Our programs start with the 3-5 year old age group with a well-established pathway through to our students achieving U.S. College tennis scholarships and playing on the professional circuit thereafter.
- We operate from 7 tennis facilities in Sydney and 2 in Singapore and coach around 2000 players each week of all ages and abilities including more than 200 national ranked players.

### The position

We are looking for a Head Tennis Professional who will ultimately be accountable for the performance of this Voyager venue.

The successful candidate must have a background in High Performance Coaching as all our venues have large performance programs.

There are 4 main responsibilities of a Head Tennis Professional

1. Ensure the highest standard of delivery of all tennis programmes that are run at the venue.
2. Deliver an outstanding level of customer service and ensure programs and coaches schedules are fully booked.
3. Develop, lead and manage your team of coaches that will be working under you to help create a positive and progressive work culture and environment.
4. Oversee support services that will be provided to you including administration, Human Resources, sales and marketing, accounts, payroll, customer service and Work Health and Safety.

The programmes at the venue include Tennis Hotshots, Private Lessons, Adult Group Lessons, Development Squads, High Performance squads, School Programs, Holiday Camps, Weekly competitions, Tournaments.

### Training and support

The successful applicant will have the Voyager team providing all the resources and training required to help you become successful in this role.

### Hours

Programmes are delivered 7 days per week and your responsibility is to ensure that every session throughout the week is delivered to a high standard even though you may not be at the venue 100% of the time.

### Values, Skills and attributes

We are looking for an ambitious tennis professional who is committed to excellence, has integrity, is fun to be around and is always looking to improve. Please apply for this role if you meet all/most of the 4 criteria below:

1. You are a top-class tennis professional who can deliver all programmes and services to the highest standard with a minimum of 5 years coaching experience as well as 5 years + of high performance coaching (preferably 10 years +)
2. You have strong customer service and sales skills.
3. You are a strong leader with 3-5 years minimum experience in managing and developing a team of coaches.
4. You have highly developed organisational skills and ability to juggle multiple priorities whilst maintaining attention to detail.

For those who don't meet the majority of the criteria you can also apply for a senior coaching positions which are available at Voyager locations.
