

GT STATS Subscription

A subscription to GT STATS is \$120 per year with a **30 day free trial**. More details can be found [here](#), including how GT is working with Voyager players and coaches.

A GT STATS subscription includes:

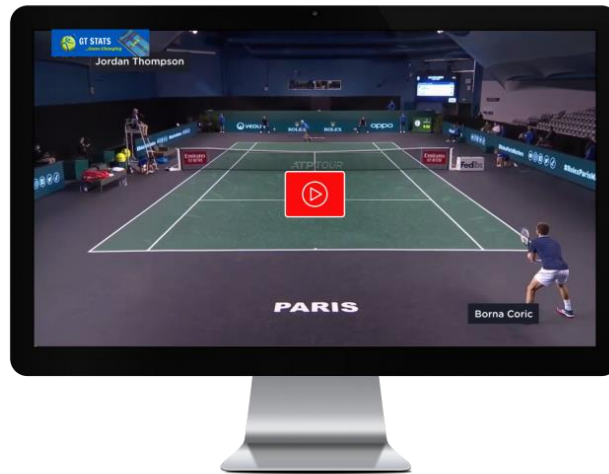

- The GT STATS app for recording tennis analytics - **training included** and vital in providing measurable feedback to your child's coach.
- Education through workshops, webinars and onsite presentations.
- Weekly insights on how pros and college players compete and the patterns they use, which helps to reinforce our coaching messages.
- Access to pro match replays with GT match analytics – great way for developing players to watch and filter pro and college matches.
- Storage of player footage and analysed matches to the cloud.

GT STATS Video, Analytics & Tagged Match Services

For competition/tournament players, and those on a college or pro pathway, GT also provides the following services:

- | | |
|--------------------------------------|-------|
| • Match Footage | \$20 |
| • Footage with analytics applied | \$65 |
| • Footage, analytics & analysis | \$120 |
| • All of the above plus consultation | \$150 |

Nick at GT works directly with ATP player Thanasi Kokkinakis. Nick applies his experience with Thanasi and other pro players to the work GT does with Voyager players.

Included in a first time consultation is a 3 month subscription to GT STATS. See [here](#) for more details

If you have any further questions, please contact Nick at GT STATS on 0408 433 720 or email nick@gtstats.net
